SLIMLINE GLAZED DOORS.

GLAZED SECURITY DOORS

PRODUCT OVERVIEW

Slimline is a durable, thermally insulated steel profile system designed for high-security single and double-leaf doors. Perfect for outdoor areas, it offers stainless steel options ideal for coastal and industrial zones. With customisable security features and a low U-value, it ensures both strength and elegance in any setting. Trust Slimline for uncompromising security and style. SBD licence product under the LPS 1175 SR2 and LPS 2081.
